

Always write the **best** and **most complete** answer that comes from the *indicated* passage. Study surrounding verses as needed.

Divide notebook paper into *two* columns and then answer the questions. Instead of just copying an answer out of the Bible, you may need to use nouns instead of pronouns and make other changes so an answer makes sense. If you have difficulty answering a question, try reading the indicated passage *and nearby verses* in a couple of translations. A fairly literal translation such as the KJV, NKJV, or NASB may be needed to answer certain questions.
