## Period Song

Tune: The Farmer in the Dell

Words: Becky Bollinger

Correlates with 3<sup>rd</sup> Grade Abeka Language

Stop for periods,  
Stop of periods,  
Hi, ho, here we go,  
Stop for periods.

At the end of the sentence,  
Put a period there,  
If the sentence does “declare”,  
Put a period there.

Initials of a name,  
Put a period there,  
Have a letter? Make it better!  
Put a period there!

In titles of respect,  
Like Mr. Dr. Rev.  
Be careful that you don't neglect,  
To put a period there!

In Sunday and September,  
When you abbreviate,  
If you put a period there,  
That would be just great!

# Comma Song

Tune: Dreidel, Dreidel

Words: Becky Bollinger

Correlates with 3<sup>rd</sup> Grade Abeka Language

Comma, comma, comma,  
We learn them in our school,  
And when we use a comma,  
It should follow its own rule.

Always use a comma,  
After yes or no,  
When they start a sentence,  
Get ready, now let's go!

When you speak to someone,  
And say their name out loud,  
Two commas must be placed there,  
And so their name surround.

When you write a city,  
Followed by a state,  
Make sure you have a comma,  
There to separate.

When you have a list,  
Brother, sister, mom  
Make sure you always separate  
Each one with a comma.

When you write the date  
Put a comma there,  
Between the week day and month,  
Between the date and year.

phrases and cross them out with one straight line.

Then you ask the question,  
“Who or what is doing?”

Underline the subject 1 time.

Next you ask the question,  
“What’s the subject doing?”

Once you find the verb underline it 2 times.
